CMF Tours

*M*onsoon Tours is one of Cambodia's foremost luxury travel companies, combining comfort and authenticity in one of the world's greatest destinations since 1995.

Travel on a pre-designed itinerary, or let us create one for you. Director, Frank Ludwig, has been organizing tours, meetings and incentives in Cambodia since '93. He also has a firm commitment to eco-friendly tourism, promoting respect of the land and respect for the cultural heritage of indigenous populations. Communication should be easy since he speaks German, English, French, Russian and Khmer and his educational and professional credentials are impeccable: Master of Political Sciences, specializing in Indo-China (Cambodia in particular) and he has worked many years for development agencies who supported projects in Cambodia and other Asian countries.

This all adds up to a trouble free event or tour for you. If you seek creative travel itineraries to challenge and titillate the most jaded of travel palates and just want to sit back and watch the drama unfold before you, Monsoon Tours will take the stress out of planning – all you do is relax and enjoy the experience.

We can tailor make any tour to your requirements. E-mail us and find out what we can do and take the frustration out of making your own arrangements.
